

Alec Benjamin - If I Killed Someone For You

Tom: **A**

(forma dos acordes no tom de **G**)
Capostrate na 2ª casa

Sorry that I did this, the blood is on my hands
I stare at my reflection, I don't know who I am
Practice my confession. In case I take the stand
I'll say I learned my lesson, I'll be a better man
I'm packing up my things and I'm wiping down the walls
I'm rinsing off my clothes and I'm walking through the halls
I did it all for her so I felt nothing at all
I don't know what she'll say, so I'll ask her when she calls
[Refrão]

Would you love me more? (would you love me more?)
If I killed someone for you
Would you hold my hand? (would you hold my hand?)
They're the same that I used
When I killed someone for you
Would you turn me in? (would you turn me in?)
When I say I'm on the loose
Would you hide me when (would you hide me when?)
My face is on the news?
'Cuz I killed someone for you
[Segunda Parte]

I hear the sirens coming, I see the flashing lights
I'm driving through the suburbs, wearing my disguise
I show up at her doorstep to look her in the eyes
I tell her that it's me, but she doesn't recognize
Can't you see I'm running? Said I need a place to hide
I've gotta ask you something, could you please let me inside?

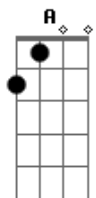

Just let me explain, no I wouldn't tell you lies
I know you'll understand if you let me stay the night
[Refrão]

Would you love me more? (would you love me more?)
If I killed someone for you
Would you hold my hand? (would you hold my hand?)
They're the same that I used
When I killed someone for you
Would you turn me in? (would you turn me in?)
When I say I'm on the loose
Would you hide me when (would you hide me when?)
My face is on the news?
'Cuz I killed someone for you
[Ponte]

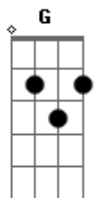

You have to understand that the one I killed is me
Changing what I was for what you wanted me to be
I followed your direction, did everything you asked
I hope it makes you happy, 'cuz there's just no turning back
[Refrão]

Would you love me more? (would you love me more?)
If I killed someone for you
Would you hold my hand? (would you hold my hand?)
They're the same that I used
When I killed someone for you
Would you turn me in? (would you turn me in?)
When I say I'm on the loose
Would you hide me when (would you hide me when?)
My face is on the news?
'Cuz I killed someone for you
