

# Alec Benjamin - If We Have Each Other

Tom: G

She was 19 with a baby on the way  
 On the East-side of the city, she was working every day  
 Cleaning dishes in the evening, she could barely stay awake  
 She was clinging to the feeling that her luck was gonna change  
 And, 'cross town she would take the bus at night to a one  
 bedroom apartment

And when she'd turn on the light  
 She would sit down at the table  
 Tell herself that it's alright  
 She was waiting on the day she hoped her baby would arrive  
 She'd never be alone  
 Have someone to hold

And when nights were cold  
 She'd say

The world's not perfect, but it's not that bad  
 If we got each other, and that's all we have  
 I will be your mother, and I'll hold your hand  
 You should know I'll be there for you  
 When the world's not perfect  
 When the world's not kind  
 If we have each other then we'll both be fine  
 I will be your mother, and I'll hold your hand  
 You should know I'll be there for you

They were 90 and were living out their days on the West-side  
 of the city next to where they got engaged  
 They had pictures on the walls of all the memories that they'd  
 made

And though life was never easy, they were thankful that they  
 stayed  
 With each other, and though some times were hard  
 Even when she made him angry he would never break her heart  
 No, they didn't have the money to afford a fancy car  
 But they never had to travel 'cause they'd never be apart

Even at the end, their love was stronger than the day that  
 they first met  
 They say

The world's not perfect, but it's not that bad  
 If we got each other, and that's all we have  
 I will be your lover, and I'll hold your hand  
 You should know I'll be there for you  
 When the world's not perfect

When the world's not kind  
 If we have each other then we'll both be fine  
 I will be your lover, and I'll hold your hand  
 You should know I'll be there for you

Oh ooh ooh  
 You should know I'll be there for you

I'm 23, and my folks are getting old  
 I know they don't have forever and I'm scared to be alone  
 So I'm thankful for my sister, even though sometimes we fight  
 When high school wasn't easy, she's the reason I survived  
 I know she'd never leave me  
 And I hate to see her cry  
 So I wrote this verse to tell her that I'm always by her side  
 I wrote this verse to tell her that I'm always by her side  
 I wrote this verse to tell her that

The world's not perfect, but it's not that bad  
 If we got each other, and that's all we have  
 I will be your brother, and I'll hold your hand  
 You should know I'll be there for you  
 When the world's not perfect

When the world's not kind  
 If we have each other then we'll both be fine  
 I will be your brother, and I'll hold your hand  
 You should know I'll be there for you

Oh ooh ooh  
 You should know I'll be there for you
