

# Alec Benjamin - The Knife In My Back

tom:

A

[Primeira Parte]

Am F  
I'm slowly learning  
C G  
That the things you promised me  
Am F  
Are burning like the embers  
C Em  
Of a thousand willow trees  
Am F  
And every single secret  
C G  
Has been broadcast like TV  
Am F  
Now all the threads are severed  
C Em  
That were tying you to me

[Pré-Refrão]

Am F  
I thought we were friends  
C Em  
But now we're enemies  
Am F  
I thought we were friends  
C Em  
But now we're enemies

[Refrão]

Am  
Pull your knife out of my back  
F  
Your blood runs black  
C  
I was just surprised at how you turned  
Em  
On me so fast  
Am  
I let you in  
F  
I held you close  
C  
My blood flows like a river 'cause I  
Em  
Trusted you the most  
Am  
And now I know it's over  
F C G  
(Woo-ooh-ah-oooh)

Am  
And now I know it's over  
F C G  
(Woo-ooh-ah-oooh)

Am  
And now I know it's over  
F C G  
(Woo-ooh-ah-oooh)

Am  
And now I know it's over  
F C G  
(Woo-ooh-ah-oooh)

[Segunda Parte]

Am F  
I was so naive  
C G  
I even let you in my home  
Am F C  
Took you out for dinner and let you wear  
Em

My clothes

Am F  
I can't even breathe  
C G  
I have your scent still in my nose  
Am F C  
It's like I almost miss you  
Em  
I should have known

[Pré-Refrão]

Am F  
I thought we were friends  
C Em  
But now we're enemies
