

# Alec Benjamin - The Water Fountain

Tom: G

<sup>C</sup>  
She told me that she loved me by the water fountain

<sup>Am</sup>  
She told me that she loved me and she didn't love him

<sup>G</sup>  
And that was really lovely cause it was innocent

<sup>D</sup>  
But now she's got a cup with something else in it

<sup>C</sup>  
It's getting kind of blurry at a quarter past ten

<sup>Am</sup>  
And he was in a hurry to be touching her skin

<sup>G</sup>  
She's feeling kind of dirty when she's dancing with him

<sup>D</sup>  
Forgetting what she told me by the water fountain

<sup>C</sup>  
Now he's grabbing her hips and pulling her in

<sup>Am</sup>  
Kissing her lips and whispering in her

<sup>G</sup>  
Ear and she knows that she shouldn't listen

<sup>D</sup>  
And that she should be with me by the water fountain

<sup>C</sup>  
She couldn't be at home in the nighttime because

<sup>Am</sup>  
It made her feel alone but at that time she was

<sup>G</sup>  
Too young

<sup>D</sup>  
I was too young

<sup>C</sup>  
I should have built a home with a fountain for us

<sup>Am</sup>  
The moment that she told me that she was in love

<sup>G</sup>  
Too young

<sup>D</sup>  
I was too young

<sup>C</sup>  
Too young

<sup>Am</sup>  
Too young

<sup>G</sup>  
Too young

<sup>D</sup>  
Young

<sup>C</sup>  
And if she ever goes back to the water fountain

<sup>Am</sup>  
The handle will be broken and the rust set in

<sup>G</sup>  
But my hand it will be open and I'll try to fix it

<sup>D</sup>  
My heart it will be open and I'll try to give it

<sup>C</sup>  
Now I'm grabbing her hips and pulling her in

<sup>Am</sup>  
Kissing her lips and whispering in her

<sup>G</sup>  
Ear and I know that it's only a wish

<sup>D</sup>  
And that we're not standing by the water fountain

<sup>C</sup>  
Too young

<sup>Am</sup>  
Too young

<sup>G</sup>  
Too young

<sup>D</sup>  
Young

<sup>C</sup>  
She couldn't be at home in the nighttime because

<sup>Am</sup>  
It made her feel alone but at that time she was

<sup>G</sup>  
Too young

<sup>D</sup>  
I was too young

<sup>C</sup>  
I should have built a home with a fountain for us

<sup>Am</sup>  
The moment that she told me that she was in love

<sup>G</sup>  
Too young

<sup>D</sup>  
I was too young

<sup>C</sup>  
Too young

<sup>Am</sup>  
Too young

<sup>G</sup>  
Too young

<sup>D</sup>  
Young

<sup>C</sup>  
I should have built a home with a fountain for us

<sup>Am</sup>  
The moment that she told me that she was in love

<sup>G</sup>  
Too young

<sup>D</sup>  
I was too young
