

Alessandra Samadello - Senhor, Eu Te Louvo!

Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa

No meu viver tentei fazer somente o que agrada teu querer
 O teu amor me convidou e eu quis andar nos teus caminhos meu Senhor
 Tentei, mais de uma vez cair? e levantei
 Mas o pecado me chamava e quanto eu via eu ja? voltava a cair
 E agora que pensei que aqui era meu fim

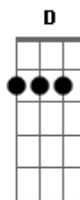

Me dizes que na?o me condenas e de novo me convidas pra eu

seguir

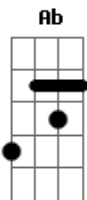

Senhor, na?o posso compreender o que acabo de ouvir
 Tu me conheces, tu sabes quem eu sou e me ofereces teu perda?o
 Senhor, na?o posso merecer o que acabo de ouvir
 Sou pecadora no mal ja? caminhei e me ofereces teu perda?o
 Senhor, eu te agradeço Senhor, eu na?o mereço
 Tu me fizeste ver que ainda posso ser tudo o que sempre desejei
 Senhor, eu te louvo Senhor, eu te adoro

Senhor, quero amar-te Mais que tudo aqui
