

alessandro alves - Quando O Velho Sol Esta No Céu

Tom: C

G D
Quando o velho sol esta no ceu
F C
Estão vindo pássaros para o verão

Sons de sinos que me acompanham
No caminho que vou segui.

No rio distante eu vejo céu
E de longe os pássaros na montanha.

O sons de crianças em meus ouvidos
O última luz solar desaparece.

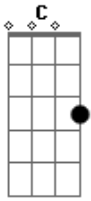

Refrão:

C Bm
E se voce sentir o frio da manha
C G
Tire seus pés fora do chão

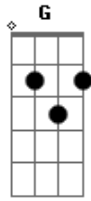

C Bm
E se você ouvir uma canção
Am
um som de um tempo
Dm
tão estranho

Gm Dm F
Cante pra mim, cante pra mim
