

# Alessi Brothers - Forever

Tom: Gb

(forma dos acordes no tom de G )

Afinação: Eb Ab Db Gb Bb Eb

Don't explain yourself  
Doesn't matter reasons why  
I'd just assume you'd leave it never said  
I'd just assume you'd go  
I can feel your sympathy and there pity in your eyes  
Well, do you think you mean so much to me  
Do you think I'll die

[Refrão]

Well you go and you play  
But don't ever think a minute that you took my love away  
Well I know I said a lot thing  
But forever really means until the day it ends  
And that's tonight, it's gonna be tonight  
I've been turned around  
And unsure of what to do  
But like nature's stream that wash away  
We must let it through  
And you just can't disguise

There's a hardness in your e...yes  
And we'll never know how much we had  
Until it's far ... behind  
[Refrão]  
Well you go and you play  
But don't ever think a minute that you took my love away  
Well I know I said a lot thing  
But forever really means until the day it ends  
And that's tonight, it's gonna be tonight  
Oh! And I'll remember the days I spent with you  
(I'll remember the days I spent with you)  
Never to lose, never, never, no  
[Solo]  
Well you go and you play  
But don't ever think a minute that you took my love away  
Well I know I said a lot thing  
But forever really means until the day it ends  
And that's tonight, it's gonna be tonight  
I know you said a lot of things  
But forever really means until the day ends

## Acordes
