G Em  
There you are with your college friends

You play in their marching band

I can't help but wish I knew you then

But I, <sup>G</sup>guess I know you <sup>C</sup>now

Em D  
It looks as if I stumbled right into the palm of your hand

Hey **G** you

Hey Mister knock on my door

I'm sorry that I've been emotions galore

G Em  
Am I crazy for wanting a little bit more?

**G**  
A little more of you

A little more, a little more of you

Em  
This feeling is hard to ignore

**G** Please say you'll **C** never get bored

Can you blame me for wanting a little bit more?

A little more of you

A little more, a little more of you

Em  
Say that it's the same

G C  
Take a drill right to my brain  
G Em  
More than it did just yesterday  
G Em  
I guess I get it now

Em D  
It looks as if I stumbled right into the palm of your hand

Hey <sup>G</sup>you

Hey Mister knock on my door

I'm sorry that I've been emotions galore

Am I crazy for wanting a little bit more?

**G**  
A little more of you

A little more, a little more of you

Em  
This feeling is hard to ignore

**G** Please say you'll **C** never get bored

Can you blame me for wanting a little bit more?

**G**  
A little more of you

A little more, a little more of you

$$\begin{pmatrix} G & Em & G & C \end{pmatrix}$$
