

Alessia Cara - Girl Next Door

tom:

Intro: C G Dm F

[Primeira Parte]

C G Dm
Never have I ever been someone who's had it all
F
Like, not at all, yeah
C G
And, on occasion, I can think too much
Dm F
I get uncomfortable, hide behind my walls
C G Dm F
And I talk in circles, but at least I say what I mean
C G Dm F
And I rock my heart on the sleeve of my T-shirt

[Pré-Refrão]

C G Dm
So if I should die tomorrow
F
I'll die with all of me, all of me
C G Dm
And if I give back the time that I've borrowed
F
I'll know I gave everything, everything

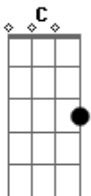

[Refrão]

C G
And no, you won't, no, you won't
Dm F
Forget, forget me, no
C G
No, you won't, no, you won't
Dm F C G
Forget, forget this girl next door
Dm F
No, no, no, no

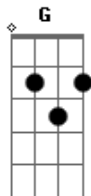

[Segunda Parte]

C G Dm
Never have I ever met someone who worries like I do
F
That's nothing new, yeah
C G
And I don't really like to get dressed up
Dm F
What's it to you? I know what I can do
C G
And I'm not Bowie, Prince or Queen
Dm F
But at least I do what I dream
C G Dm F
And I rock my soul on both sleeves of my T-shirt
