

Alessia Cara - Girl Next Door

```
tom:
Intro: C G Dm F
[Primeira Parte]
Never have I ever been someone who's had it all
Like, not at all, yeah
And, on occasion, I can think too much
I get uncomfortable, hide behind my walls
And I talk in circles, but at least I say what I mean
                         Dm
And I rock my heart on the sleeve of my T-shirt
[Pré-Refrão]
So if I should die tomorrow
I'll die with all of me, all of me
{\color{blue} C} {\color{blue} G} And if I give back the time that I've borrowed
I'll know I gave everything, everything
[Refrão]
And no, you won't, no, you won't
Forget, forget me, no
No, you won't, no, you won't
Forget, forget this girl next door
Dm F
No, no, no, no
[Segunda Parte]
Never have I ever met someone who worries like I do
That's nothing new, yeah
And I don't really like to get dressed up
What's it to you? I know what I can do
C G
And I'm not Bowie, Prince or Queen
But at least I do what I dream
C G Dm F
And I rock my soul on both sleeves of my T-shirt

Forget, forget me, no
No, you won't, no, you won't
Forget, forget this girl next door
[Ponte]
And I may not be a genius
I'm just a girl with some reasons to stay Plain Jane
But I won't go 'til you hear me
I'll be sure not to leave 'fore you know my name
[Pé-Refrão]
So if I should die tomorrow
I'll die with all of me, all of me
And if I give back the time that I've borrowed
I'll know I gave everything, yeah
[Refrão]
