

# Alessia Cara - Growing Pains

Tom: E

A  
 Make my way through the motions, I try to ignore it  
 E  
 But home's looking farther the closer I get  
 A  
 Don't know why I can't see the end  
 E  
 Is it over yet? hmm  
 A  
 A short leash and a short fuse don't match  
 E  
 They tell me it ain't that bad, now don't you overreact  
 A  
 So I just hold my breath, don't know why  
 E  
 I can't see the sun when young should be fun

[Pré-Refrão]

A  
 And I guess the bad can get better  
 Gotta be wrong before it's right  
 E  
 Every happy phrase engraved in my mind  
 A  
 And I've always been a go-getter  
 There's truth in every word I write  
 E  
 But still the growing pains, growing pains  
 They're keeping me up at night

[Refrão]

A  
 Hey, hey, hey, yeah, hey, yeah  
 Hey, hey, hey, yeah, hey, yeah  
 E  
 And I can't hide 'cause growing pains are keeping me up at night  
 A  
 Hey, hey, hey, yeah, hey, yeah  
 Hey, hey, hey, yeah, hey, yeah  
 E  
 And I can't hide 'cause growing pains are keeping me up at night

A  
 Try to mend what's left of my content incomprehension  
 As I take on the stress of the mess that I've made  
 A  
 E

Don't know if I even care for "grown" if it's just alone, yeah

[Pré-Refrão]

A  
 And I guess the bad can get better  
 Gotta be wrong before it's right  
 E  
 Every happy phrase engraved in my mind  
 A  
 I've always been a go-getter  
 There's truth in every word I write  
 E  
 But still the growing pains, growing pains  
 They're keeping me up at night

[Refrão]

A  
 Hey, hey, hey, yeah, hey, yeah  
 Hey, hey, hey, yeah, hey, yeah  
 E  
 And I can't hide 'cause growing pains are keeping me up at night  
 A  
 Hey, hey, hey, yeah, hey, yeah  
 Hey, hey, hey, yeah, hey, yeah  
 E  
 And I can't hide 'cause growing pains are keeping me up at night

[Ponte]

A  
 Starting to look like Ms. Know-it-all  
 Can't take her own advice  
 E  
 Can't find pieces of my peace of mind  
 I cry more than I'd like to admit  
 A  
 But I can't lie to myself, to anyone  
 'Cause phoning it in isn't any fun  
 E  
 Can't run back to my youth the way I want to  
 A  
 The days my brother was quicker to fool  
 AM radio, not much to do  
 E  
 Used monsters as an excuse to lie awake  
 Now the monsters are the ones that I have to face  
 A  
 No band-aids for the growing pains
