Alessia Cara - How Far I'll Go

```
Tom: E

   E                                        Gbm
I've been standing at the edge of the water
                  Dbm
'Long as I can remember
                  A
Never really knowing why
E                              Gbm
I wish I could be the perfect daughter
                        Dbm
But I come back to the water
                     A
No matter how hard I try

      Dbm
Every turn I take
Every trail I track
      A
Every path I make
Every road leads back
       Dbm
To the place I know
Where I cannot go
         A       Am (one strum)
Though I long to be

        E
See the line where the sky meets the sea?
    B
It calls me
            Dbm
And no one knows
            A
How far it goes
       E
If the wind on my sail on the sea
          B
Stays behind me
             Dbm
One day I'll know
     A                    Am
If I go there's just no telling
             E
How far I'll go

(E - B - Dbm - A )
Go-oh-oh-oh-oh-oh-oh-oh-oh-oh
Go-oh-oh-oh-oh-oh-oh-oh-oh-oh
Go-oh-oh-oh-oh-oh-oh-oh-oh-oh
Go-oh-oh-oh-oh-oh-oh-oh-oh-oh

E                          Gbm
I know everybody on this island
                          Dbm
Seems so happy on this island
                    A
Everything is by design
E                           Gbm
I know everybody on this island
                     Dbm
Has a role on this island
                           A
So maybe I can roll with mine

      Dbm
I can lead with pride
I can make us strong
         A
I'll be satisfied if I play along
        Dbm
But the voice inside sings a different song
         A          Am
What is wrong with me?

         E
See the light as it shines on the sea?
       B
It's blinding
            Dbm
But no one knows
             A
How deep it goes
        E
And it seems like it's calling out to me
         B
So come find me
             Dbm
And let me know
        A
What's beyond that line
Will I cross that line?

         F
See the line where the sky meets the sea?
   C
It calls me
            Dm
And no one knows
            Bb
How far it goes
        F
If the wind on my sail on the sea
         C
Stays behind me
              Dm
One day I'll know
             Bbm   F
How far I'll go
```
