

Alessia Cara - I Choose

tom:

Intro: C F Am F

[Primeira Parte]

C F

All of my life I thought I was right

Am F

Looking for something new

C F

Stuck in my ways like old-fashioned days

Am F

But all the roads led me to you

[Pré-Refrão]

Dm F

The house that you live in don't make it a home

C G

But feeling lonely don't mean you're alone

Dm F

People in life, they will come and they'll leave

C Am G

But if I had a choice I know where I would be

[Refrão]

F C

Through the lows and the highs, I will stay by your side

G Am G

There's no need for goodbyes, now I'm seeing the light

F C

When the sky turns to grey and there's nothing to say

G Am

At the end of the day, I choose you

[Segunda Parte]

C F

Now I found the strength to make a change

Am F

And look at the magic I found

C F

No matter the name or where you came from

Am F

'Cause no one has much figured out

[Pré-Refrão]

Dm F
The house that you live in don't make it a home

C G

But feeling lonely don't mean you're alone

Dm F

I finally found where I feel I belong

C Am G

And I know you'll be there with wide open arms

[Refrão]

F C

Through the lows and the highs, I will stay by your side

G Am G

There's no need for goodbyes, now I'm seeing the light

F C

When the sky turns to grey and there's nothing to say

G Am

At the end of the day, I choose you

F C F Am

I choose you

F C F Am F

I choose you

[Ponte]

F C

Through the lows and the highs, I will stay by your side
