Do you recall the days at your old place?

My closet was a time machine, yours a stage

I wish we told those little girls they're gonna be okay
Still picture it all in my mind

Jealous of your high tops 'cause someone stole mine

My kind of time's meant to carelessly spend
                            Cm7

Like the one about the crass-humoured French guy
And what about you, Mr. Poetry?

And what about all that we built in just a couple weeks?

Talkin' 'bout all of our fears through a cracked screen
