

# Alessia Cara - My Song

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa) C)

Tune in to find my peace and solitude

These empty rooms spin

And I embrace the flaws of being human

The black and white and sometimes the greys

The in-between times, the meantimes

That make the song of life sing

Play, rest, repeat

Read exactly what is written on the sheet

Don't deviate they say

But I will play what's best for me

I'll press the keys and pull the strings  
Create a symphony that's mine

And I'll spend my life penning my song, my song

And the verses I write will speak for me

Good girls don't make history

So I may never be what you assume

Don't want your hooks or auto-tune

If I'm off-key then that's alright with me

Oh and maybe you will learn this when I'm gone  
My song will carry on

Let go, I let my voice be heard

Then listen for the echo

My own reverb is playing cause I'm a movement

There's dissonance, sometimes I make mistakes

Oh I'm human, after all I'm not your expectations

But play, rest, repeat

That's what they ask of me

Just stick to this melody and stay between the lines

But I will play what's best for me

I'll ring the bells and crash the symbols  
My harmonious design

And I'll spend my life penning my song, my song

And the verses I write will speak for me

Good girls don't make history

So I may never be what you assume

Don't want your hooks or auto-tune

If I'm off-key then that's alright with me

Oh and maybe you will learn this when I'm gone  
My song will carry on

In my time here

I wanna be revered and remembered

Oh let them say I came, I conquered

So I won't fear

And I can't blend in

You can't replace and you cannot erase me

Cause my song will play on beyond time

And I'll spend my life penning my song, my song

And the verses I write will speak for me

Good girls don't make history

So I may never be what you assume

Don't want your hooks or auto-tune

If I'm off key then that's alright with me

Oh and maybe you will learn this when I'm gone  
My song will carry on

And I'll spend my life penning my song, my song

And the verses I write will speak for me

Good girls don't make history

So I may never be what you assume

Don't want your hooks or auto-tune

If I'm off-key then that's alright with me

Oh and maybe you will learn this when I'm gone  
My song will carry on
