

# Alessia Cara - Overdose

Tom: C

Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 I'm trying not to take too much  
 I'm in over my head  
 Over love, boy I over trust  
 Give me the chance to pick up the pieces you left me in  
 Why did I let you in?  
 Overzealous, I'm over this  
 Oh I'm over us  
 Over and over  
 I let you under my skin and it's over  
 I promise never again you'd come over  
 Something takes over me  
 I can't control this hallucinogen  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 Oh, and you bring me down, down  
 We fight, we laugh  
 Detox, rehab  
 Letting go of what we had

Ohh, ooh ooh ooh ooh  
 Over trying, over lies  
 Over-worked and moreover I'm done  
 Over and over  
 I'm falling under your spell, call me over  
 I'm runnin' back to this hell you come over  
 And didn't you say we were through?  
 Why can't I get over you?  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 Boy I come crashing, crashing  
 Down from the high and wondering, wondering  
 Wondering why this ain't over  
 Let it just be over  
 Sobering thoughts taking over my mind  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 Oh and I overdose  
 Boy I want off this roller coaster  
 You take me high just to bring me down  
 Oh, and you bring me down, down  
 ( Am G C F )
