

Alessia Cara - Overdose

Tom: C

Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
 I'm trying not to take too much
 I'm in over my head
 Over love, boy I over trust
 Give me the chance to pick up the pieces you left me in
 Why did I let you in?
 Overzealous, I'm over this
 Oh I'm over us
 Over and over
 I let you under my skin and it's over
 I promise never again you'd come over
 Something takes over me
 I can't control this hallucinogen
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
 Oh, and you bring me down, down
 We fight, we laugh
 Detox, rehab
 Letting go of what we had

Ohh, ooh ooh ooh ooh
 Over trying, over lies
 Over-worked and moreover I'm done
 Over and over
 I'm falling under your spell, call me over
 I'm runnin' back to this hell you come over
 And didn't you say we were through?
 Why can't I get over you?
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
 Boy I come crashing, crashing
 Down from the high and wondering, wondering
 Wondering why this ain't over
 Let it just be over
 Sobering thoughts taking over my mind
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
 Oh and I overdose
 Boy I want off this roller coaster
 You take me high just to bring me down
 Oh, and you bring me down, down
