

Alessia Cara - Sweet Dream

tom:

Intro: Bb Gm Eb F

[Primeira Parte]

4: 55, everybody else is snoring
 My heavy eyes, I can never seem to close 'em
 My running mind, just can't catch you
 When it's going
 Is it late at night or is it early
 In the mornin'?

[Pré-Refrão]

Only, so many sheep a girl can count
 Patchouli candles burnin' out
 I try to meditate it all away
 But damn it is too quiet now
 Daylight helps distract my head
 Monsters hide under my bed
 They bother me with all kinds of things like
 Where do I go when I'm dead?

[Refrão]

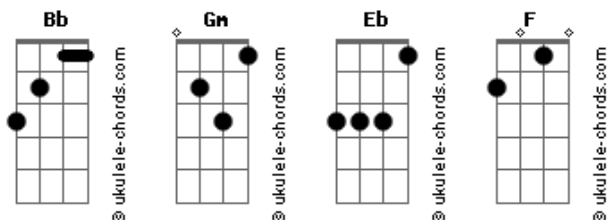

Is it too much to ask for a sweet dream?
 Need a step back from my feelings
 Life is not so bad when I'm sleeping
 Is it too much to ask, too much to ask for a, uh
 Sweet dream
 For a sweet dream

[Segunda Parte]

6: 58, Sun's peaking through the curtains
 I drift away, suddenly the wheels are turnin'
 Songs are in my head, scary thoughts begin to worsen
 Once I'm wide awake, it's too hard to reverse it

[Pré-Refrão]

Acordes

Chirping birds are flying 'round my house

 They bother me with all kinds of things like
 That one stupid thing I said

Sandman, can you visit me?
 All I want is a sweet dream

[Terceira Parte]

8: 31, I'm slurrin' every word now
 I pray this cold coffee helps me with the rebound

 When we're all a mess, I guess
