

# Alessia Cara - Wild Things

tom:

**G**

Find table space to say your social **Am**graces

Bow your **F**head, they're pious here, but you and I, we're **Am**pioneers

We make our own rules, our own room, no bias here **G**

**G**Let 'em sell what they are sellin', there are no buyers here

**F**So gather all the rebels now, we'll **Am**rebel rouse and sing aloud

**F**We don't care what they say no way, no way **Am**

**G**And we will leave the empty chairs to those who say we can't sit there

**G**We're fine all by ourselves

[Pré-Refrão]

**F**So ay, we brought our drum and this **Am**is how we dance

**F**No mistakin', we make our breaks, if you don't like our 808s **Am**

Then leave us alone, cause we don't need your policies **G**

**G**We have no apologies for being

[Refrão]

**G**Find me where the wild things are **F**

(Oh my we'll be alright, don't mind us, yeah) **Am**

**Am**Find me where the wild things are **F**

(Oh my we'll be just fine, don't mind us, yeah) **G**

**Am7**We will carve our place into time and space **G**

**F**We will find our way, or we'll **C**make a way, say hey, hey, hey

**Am7**Find you're great, don't you hide your face **G**

**F**And let it shine, shine, shine, shine, shine, shine

[Pré-Refrão]

**F**So ay, we brought our drum and this **Am**is how we dance

**G**Find me where the wild things are **F**

**F**I lose my balance on these eggshells you tell me to tread **Am**

I'd rather be a wild one instead **G**

**F**Don't wanna hang around the in crowd, the cool kids **G**

**G**Aren't cool to me, they're not cooler than we are
