

# Alessia Cara - You Let Me Down

tom:  
 You, evergreen, the fire in my past  
 Can't run free if I keep looking back  
 It's a lost cause  
 It's a bad bet  
 It's a storm but  
 Gotta face it  
 Oh, I  
 I love you but you let me down  
 Yeah, oh, I  
 I love you but you let me down  
 The last time for an eternity  
 You're only mine when I am on my feet  
 You're elusive  
 And it kills me  
 Inconclusive  
 Never ending  
 Oh, I  
 I love you but you let me down  
 Yeah, oh, I  
 I love you but you let me down  
 And I'll go as fast as I can  
 No time for a moment to myself  
 And I'll go as fast as I can  
 I swear on my life it's for the best

And I might call you  
 On your birthday  
 Cover words I wanted to say  
 With some small talk  
 And I'll tear up  
 But I'll go on  
 And I'll hang up  
 Before I can say  
 I love you but you let me down  
 Oh, I  
 I love you but you let me down  
 And I'll go as fast as I can  
 No time for a moment to myself  
 And I'll go as fast as I can  
 I swear on my life it's for the best  
 Though our moment  
 Kept us waiting  
 I will keep it  
 Keep it sacred  
 Like it's golden  
 Wish you nothing  
 But an exhale  
 And I'm hoping  
 You hear when I say  
 I never meant to let you down  
 Oh, I  
 I love you but you let me down
