

# Alesso - Cool (feat. Roy English)

Tom: A  
 Intro: D Bm Gbm E  
 I saw stars on the pavement  
 Californian dreams  
 Looked up through the bright lights  
 No stars that I see  
 You said, "It's all yours if you take it there"  
 I said, "I can't do it alone, I swear"  
 You said, "It's all yours  
 It's all yours when you smile"  
 It's only you  
 Loves me like you do  
 Trying to keep it cool  
 But I can't keep cool about it  
 Acted like a fool  
 Ought to scream it from the roof  
 I'm trying to keep it cool  
 But I can't keep cool about it ('bout it)  
 D Bm Gbm E (4x)  
 Before you I was always lost  
 Drifting at sea  
 You were the beacon I followed home  
 You were the one that rescued me
