

Alesso - Years

Tom: G

Am C
The sun hits like a bullet of faith
Em D
And then suddenly I'm wide awake
Am C
Fake bliss, our apologies made
Em D
Was an enemy with no escape
Am C
My hands were tied
Em D
But now they're mine
Em C Em D

So grab on to desire and run away

Am C
These will be the years
Em D
These will be the years
Am C
The lights will all appear
Em D
These will be the years
Am C
Years
Em D
These will be the years
