

Alestorm - Magnetic North

tom:

Intro: Gbm A E Gbm

The snow fell hard

On the frozen sea

As the night

Swarmed all around

With no moon to

Guide our passage north

This corpse of mine

May never be found

(Gbm A E Gbm)

30 days into this

Dead mans quest

In search of riches

In a time lost treasure chest

Through oceans never seen

Through fog as thick as night

To the northern wastelands

Onwards we must fight

Far beyond the ice and snow

Our voyage carries on

For blood and gold, we sold our souls

Redemption lies at magnetic north

Hey, hey, hey, hey

Hey, hey, hey, hey

Set the course for magnetic north

Beyond the snow to magnetic north

On the quest for magnetic north

B Db D

We will die at magnetic north

Sold a lie, condemned to die

Empty promise encased in ice

One by one, our time has come

Death awaits before the sun

The snow fell hard on a frozen sea

As the sun rose to the sky

Trapped forever in the sea of ice

This is the place where we will die

(Gbm A E Gbm)

For blood and gold, we sold our souls
