

# Alex Arrocha - Ir e Descobrir

Tom: G

Intro: G D Am C D

Cansei de sentir, tanta saudade no meu coração  
 Deixei de cair na tal crueldade e artimanha da sua ilusão  
 E agora da solidão, desta prisão eu buscarei, sair  
 Tirarei os meus pés do chão pra flutuar

Então mais leve que o próprio ar  
 E assim me despedir pra ir e descobrir?

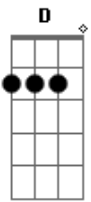

[Refrão]

Ir e descobrir um amor de verdade  
 Nocauteando a falsidade  
 Pra curtir no céu e na minha cama  
 A paixão de quem me ama
