

Alex Cohen - Hotel California

Tom: D

(intro) Bm Gb A E G D Em Gb

Bm Gb
On a dark desert highway, cool wind in my hair
A E
Warm smell of colitas, rising up through the air
G D
Up ahead in the distance, I saw a shimmering light
Em Gb
My head grew heavy and my sight grew dim, I had to stop for the night

Bm Gb
There she stood in the doorway, I heard the mission bell
A E

And I was thinking to myself this could be heaven or this could be hell

G D
Then she lit up a candle, and she showed me the way
Em Gb

There were voices down the corridor, I thought I heard them say:

G D
Welcome to the Hotel California

Bm Gb Bm
Such a lovely place... such a lovely place... such a lovely place

G D
Plenty of room at the Hotel California

Em Gb
Any time of year... any time of year... you can find it here

Bm Gb
Her mind is Tiffany twisted, she got the Mercedes bends

A E
She got a lot of pretty, pretty boys that she calls friends

G D
How they dance in the courtyard, sweet summer sweat

Em Gb
Some dance to remember, some dance to forget

Bm Gb
So I called up the captain, "Please bring me my wine," he said

A E
"We haven't had that spirit here since nineteen sixty-nine"

G D
And still those voices are calling from far away

Em Gb
Wake you up in the middle of the night, just to hear them say

G D
Welcome to the Hotel California

Bm
Such a lovely place... such a lovely place... such a lovely face

G D
Livin' it up at the Hotel California

Gb Em
What a nice surprise... what a nice surprise... bring your alibis

Bm Gb
Mirrors on the ceiling, the pink champagne on ice, and she said,

A E
"We are all just prisoners here, of our own device"

G D
And in the master's chambers, they gathered for the feast

Em Gb
They stab it with their steely knives, but they just can't kill the beast

Bm Gb
Last thing I remember, I was running for the door

A E
I had to find the passage back to the place I was before

G D
"Relax" said the nightman, "We are programmed to receive"

Em Gb
"You can check out anytime you like, but you can never leave"
