

Alex Cohen - Hotel California

Tom: D

(intro) Bm Gb A E G D Em Gb

Bm Gb
On a dark desert highway, cool wind in my hair
A E
Warm smell of colitas, rising up through the air
G D
Up ahead in the distance, I saw a shimmering light
Em Gb
My head grew heavy and my sight grew dim, I had to stop for the night

Bm Gb
There she stood in the doorway, I heard the mission bell
A E

And I was thinking to myself this could be heaven or this could be hell

G D
Then she lit up a candle, and she showed me the way
Em Gb

There were voices down the corridor, I thought I heard them say:

G D
Welcome to the Hotel California

Bm Gb
Such a lovely place... such a lovely place... such a lovely place

Em Gb
Plenty of room at the Hotel California

G D
Any time of year... any time of year... you can find it here

Bm Gb
Her mind is Tiffany twisted, she got the Mercedes bends

A E
She got a lot of pretty, pretty boys that she calls friends

G D
How they dance in the courtyard, sweet summer sweat

Em Gb
Some dance to remember, some dance to forget

Bm Gb
So I called up the captain, "Please bring me my wine," he said

A E
"We haven't had that spirit here since nineteen sixty-nine"

G D
And still those voices are calling from far away

Em Gb
Wake you up in the middle of the night, just to hear them say

G D
Welcome to the Hotel California

Bm
Such a lovely place... such a lovely place... such a lovely face

G D
Livin' it up at the Hotel California

Em Gb
What a nice surprise... what a nice surprise... bring your alibis

Bm Gb
Mirrors on the ceiling, the pink champagne on ice, and she said,

A E
"We are all just prisoners here, of our own device"

G D
And in the master's chambers, they gathered for the feast

Em Gb
They stab it with their steely knives, but they just can't kill the beast

Bm Gb
Last thing I remember, I was running for the door

A E
I had to find the passage back to the place I was before

G D
"Relax" said the nightman, "We are programmed to receive"

Em Gb
"You can check out anytime you like, but you can never leave"
