

Alex Cohen - Perigo

tom: E

Nem quero saber

Se o clima é prá romance

Eu vou deixar correr

De onde isso vem?

Se eu tenho alguma chance

A noite vai dizer

Nisso todo mundo é igual

Anjo do bem, gênio do mal

Perigo é ter você perto dos olhos

Mas longe do coração

Perigo é ter você assim sorrindo

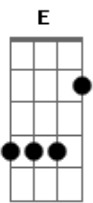

Isso é muita tentação!

Teus olhos, teu sorriso numa noite

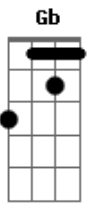

Então

Nem quero saber
