

Alex & Sierra - All For You

Tom: D

Here I go?...another night of fun by myself losing all control?
 You won't believe it I've thinking
 I wanna rob a bank?, get you everything you could ever need?
 Steal a plane, fly away wherever you want?

G Gbm
 You'll never know when to stop
 ? Bm
 It's the way you keep me twisted
 ? A
 It's just how I like it to be?
 G Gbm
 You never know in the skies?
 Bm A
 So if you wake up and see me on the news
 A7
 ?I did it all...

...for you?
 I did it all for you?

There you go...you love to cause trouble, I don't think it all just how it goes
 I've been to doing the same?
 Steal your favorite car, driving every mile till we pop the charge?
 No jail bars are ever keeping us apart

G Gbm
 You'll never know when to stop
 ? Bm
 It's the way you keep me twisted
 ? A
 It's just how I like it to be?
 G Gbm
 You never know in the skies?
 Bm A

So if you wake up and see me on the news
 A7
 ?I did it all...

...for you?
 I did it all for you?
