

Alex & Sierra - Broken Frame

tom:

C

You and me sitting here spinning gears

We're like a stolen car

Hand in mine, feeling like this is right

But it's just not ours

The greatest pretenders forget to remember

The lies

We're falling forever, we're far from together

Tonight

The light at the tunnel is a runaway train

The stars that we wish on are only airplanes

The love that we're chasing is a heart break away

'Cause we're picture perfect in a broken frame

Time is on neither side, no one's wrong

And no one's right

Hiding pain, Novocaine is gonna fade

There's no good in goodbye

The greatest pretenders forget to remember

The lies

We're falling forever, we're far from together

Tonight

The light at the tunnel is a runaway train

The stars that we wish on are only airplanes

The love that we're chasing is a heart break away

'Cause we're picture perfect in a broken frame

Gotta open our, open our eyes

Gotta open our, open our eyes

The light at the tunnel is a runaway train

The stars that we wish on are only airplanes

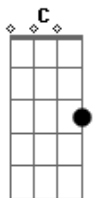

The love that we're chasing is a heart break away

'Cause we're picture perfect in a broken frame

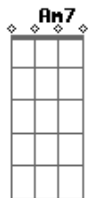

In a Broken Frame

In a Broken Frame
