

Alex & Sierra - Gravity

tom:

Intro: **Em** **F**
Em **F**

Dm Something always brings me back to you
C It never takes too long
Dm No matter what I say or do
C I'll still feel you here
Em 'Til the moment I'm gone **F** (**Em** **F**)

Dm You hold me without touch
C You keep me without chains
Dm I never wanted anything so much
C Than to drown in your love
F And not feel your rain (**Em** **F**)

[Refrão]

Dm Set me free, leave me be
C I don't want to fall another moment into your gravity
Dm Here I am and I stand so tall
G Just the way I'm supposed to be
Dm But you're on to me and all over me **Bb**

Dm You loved me 'cause I'm fragile
C When I thought that I was Strong
Dm

But you touch me for a little while
C And all my fragile strength is gone **Em** **F** (**Em** **F**)

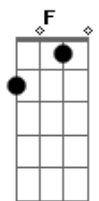

[Refrão]

Dm Set me free, leave me be
C I don't want to fall another moment into your gravity
Dm Here I am and I stand so tall
G Just the way I'm supposed to be
Dm But you're on to me and all over me **Bb**

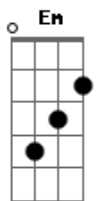

[Ponte]

F I live here on my knees as I
F Try to make you see that you're
F Everything I think I need
F Here on the ground
F But you're neither friend nor foe though
F I can't seem to let you go
Dm The one thing that I still know
F Is that you're keeping me doooooooooooooown
Dm Uuuuuuuuuuuuuuh
Dm Keeping me down
Dm But You're on to me. You're on to me and all over **Bb**
Dm Something always brings me back to you
C It never takes too long **Em** **F**
