

Alex & Sierra - Gravity

tom:

Intro: Em F
Em F

Dm G
Something always brings me back to you
C Em F
It never takes too long
Dm G
No matter what I say or do
C
I'll still feel you here
Em F (Em F)
'Til the moment I'm gone

Dm G
You hold me without touch
C Em F
You keep me without chains
Dm G
I never wanted anything so much
C Em
Than to drown in your love
F (Em F)
And not feel your rain

[Refrão]

Dm G
Set me free, leave me be
C G Am G
I don't want to fall another moment into your gravity
Dm G C
Here I am and I stand so tall
G Am G
Just the way I'm supposed to be
Dm Bb
But you're on to me and all over me

Dm G
You loved me 'cause I'm fragile
C Em F
When I thought that I was Strong
Dm G

But you touch me for a little while
C Em F (Em F)
And all my fragile strength is gone

[Refrão]

Dm G
Set me free, leave me be
C G Am G
I don't want to fall another moment into your gravity
Dm G C
Here I am and I stand so tall
G Am G
Just the way I'm supposed to be
Dm Bb
But you're on to me and all over me

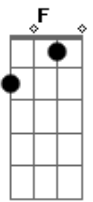

[Ponte]

F F
I live here on my knees as I
F F
Try to make you see that you're
F F
Everything I think I need
F F
Here on the ground

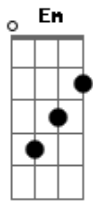

F F
But you're neither friend nor foe though
F F
I can't seem to let you go
Dm Em
The one thing that I still know
F
Is that you're keeping me dooooooooooown
Dm G C G Am G
Uuuuuuuuuuuuuuh
Dm G C G Am G
Keeping me down

Dm Bb
But You're on to me. You're on to me and all over
Dm G
Something always brings me back to you
C Em F
It never takes too long
