

Alex & Sierra - Little do You Know

Tom: C

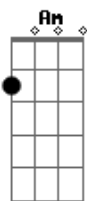

Little do you know
 How I'm breaking while you fall asleep
 Little do you know
 I'm still haunted by the memories
 Little do you know
 I'm trying to pick myself up piece by piece
 Little do you know I need a little more time
 Underneath it all I'm held captive by the hole inside
 I've been holding back for the fear that you might change your mind
 I'm ready to forgive you but forgetting is a harder fight
 Little do you know I need a little more time
 I'll wait, I'll wait
 I love you like you've never felt
 The pain, I'll wait
 I promise you don't have to be afraid, I'll wait
 The love is here and here to stay so lay your head on me
 Little do you know
 Love you till the sun dies

I know you're hurtin' while I'm sound asleep
 Little do you know
 All my mistakes are slowly drowning me
 Little do you know
 I'm trying to make it better piece by piece
 Little do you know I, I love you till the sun dies
 Oh wait, just wait
 I love you like I've never felt
 The pain, just wait
 I love you like I've never been afraid, just wait
 Our love is here and here to stay so lay your head on me
 I'll wait (oh wait), I'll wait (oh wait)
 I love you like you've never felt
 The pain, I'll wait (I'll wait)
 I promise you(I) don't have to be afraid, I'll wait
 The love is here and here to stay so lay your head on me
 Lay your head on me
 Lay your head on me
 'Cause little do you know I
 Love you till the sun dies
