

Alex & Sierra - Scarecrow

Tom: B

(com acordes na forma de G)
 Capotraste na 4ª casa
 Intro: /VERSO

I'm standin' still without you
 In the emptiest of fields
 Wish that I could say what's on my mind
 The straw that fills your heart so you never have to feel
 You say that you just need a little time
 Days like these I bury my each and every word
 Hide them underneath these lonely trees
 The harvest moon is wicked
 I know that you've been hurt
 I swear I'm here for good I'll never leave

A7sus4
 This is where it starts tonight
 D
 If you open up your heart tonight

C G
 You're staring out the window
 D Em7
 I'm out here in the street
 C G
 You stand there like a scarecrow

D Em7
 I'm begging you to speak
 C G
 You used to be my solid ground

D Em7
 Now I'm drowning in the sea
 A7sus4 G Em7
 I just want to believe in you and me
 A7sus4 G C D
 I just want to believe in you and me

Hey yeah, hey yeah, hey yeah, hey yeah
 Used to be so full of life not just an empty shell
 You're out there all alone I wonder why
 The pieces keep on falling out and I pick them up myself
 But I'd let you steal the buttons from my eyes
