                                                                                                                                                                                                                                                                                                                                          A7sus4 G C D
                                                                                                                                                                                                                                                                                                                            I just want to believe in you and me
I'm standin' still without you
In the emptiest of fields
Wish that I could say what's on my mind
                                                                                                                                                                                                                                                                                                                            Hey yeah, hey yeah, hey yeah, hey yeah
The straw that fills your heart so you never have to feel
You say that you just need a little time
                                                                                                                                                                                                                                                                                                                                                                                                                              A7sus4
Days like these I bury my each and every word
                                                                                                                                                                                                                                                                                                                            You said you'd open up for me
Hide them underneath these lonely trees
The harvest moon is wicked
                                                                                                                                                                                                                                                                                                                            Well nothin's what it seems to be
I know that you've been hurt
                                                                                                                                                                                                                                                                                                                                                                                                                              A7sus4
I swear I'm here for good I'll never leave
                                                                                                                                                                                                                                                                                                                            How can I make you feel again
                                                                                                       A7sus4
                                                                                                                                                                                                                                                                                                                            Only you can make me real again
This is where it starts tonight
                                                                                                                                                                                                                                                                                                                            You're staring out the window
If you open up your heart tonight
                                                                                                                                                                                                                                                                                                                                                D
                                                                                                                                                                                                                                                                                                                                                                                                                                Em7
                                                                                                                                                                                                                                                                                                                            I'm out here in the street
                                                                                                         G
You're staring out the window
                                                                                                                                                                                                                                                                                                                            You stand there like a scarecrow

                                                                                                                                                                                                                                                                                                                            I'm begging you to speak
You stand there like a scarecrow
                                                                                                                                                                                                                                                                                                                            You used to be my solid ground
                                                                                               Em7
                                                                                                                                                                                                                                                                                                                            Now I'm drowning in the sea
I'm begging you to speak
                                                                                                                                                                                                                                                                                                                                    A7sus4
                                                                                                                                                                                                                                                                                                                                                                                                            G
                                                                                                                                                                                                                                                                                                                            I just want to believe in you and me
You used to be my solid ground
                                                                                                                                                                                                                                                                                                                                       A7sus4 G C D
Now I'm drowning in the sea
                                                                                                                                                                                                                                                                                                                            I just want to believe in you and me
        A7sus4 G
I just want to believe in you and me
           A7sus4 G C D
                                                                                                                                                                                                                                                                                                                            You're staring out the window
I just want to believe in you and me
                                                                                                                                                                                                                                                                                                                            I'm out here in the street
                                                                                                                                                                                                                                                                                                                                C
                                                                                                                                                                                                                                                                                                                            You stand there like a scarecrow
Hey yeah, hey yeah, hey yeah
Used to be so full of life not just an empty shell
                                                                                                                                                                                                                                                                                                                                          D
                                                                                                                                                                                                                                                                                                                                                                                                                             Em7
You're out there all alone I wonder why
                                                                                                                                                                                                                                                                                                                            I'm begging you to speak
The pieces keep on falling out and I pick them up myself
                                                                                                                                                                                                                                                                                                                            You used to be my solid ground
But I'd let you steal the buttons from my eyes
                                                                                                                                                                                                                                                                                                                                                       D
                                                                                                                                                                                                                                                                                                                            Now I'm drowning in the sea
                                                                                                       A7sus4
This is where it starts tonight
                                                                                                                                                                                                                                                                                                                                        A7sus4
                                                                                                                                                                                                                                                                                                                                                                                                           G
                                                                                                                                                                                                                                                                                                                            I just want to believe in you and me
                                                                                                                                                                                                                                                                                                                                          A7sus4 G C D
If you open up your heart tonight
                                                                                                                                                                                                                                                                                                                            I just want to believe in you and me
You're staring out the window
                                                                                                      Fm7
                                                                                                                                                                                                                                                                                                                           Hey yeah, hey yeah, hey yeah, hey yeah
I'm out here in the street % \left( 1\right) =\left( 1\right) \left( 1\right
                                                                                                                                                                                                                                                                                                                            You're staring out the window
You stand there like a scarecrow
