ACORDES INTRO/VERSO:

Intro: B E Gb11 E (2x)

(B E Gb11 E 2x)
 I'm standing still without you
 In the emptiest of fields
 I wish that I could say what's on my mind

(B E Gb11 E 2x)
 The straw that fills your heart
 So you never have to feel
 You say that you just need a little time

(B E Gb11 E 2x)
 Days like this
 I bury my each and every word
 And hide them underneath these lonely trees

(B E Gb11 E 2x)
 The harvest moon is wicked
 I know that you've been hurt
 But I swear I'm here for good, I'll never leave

ACORDES PRÉ-REFRÃO:

(B E Gb11 E 2x)
 This is where it starts tonight
 If you open up your heart tonight

ACORDES REFRÃO:

(B E Gb11 E 2x)
 You're staring out the window
 And I'm out here in the street
 You stand there like a scarecrow
 And I'm begging you to speak

(B E Gb11 E 2x)
 You used to be my solid ground
 Now I'm drowning in the sea
 And I just wanna believe in you and me
 Yeah I just wanna believe in you and me (B E Gb11 E 2x)

VERSO:

(B E Gb11 E 2x)
 You used to be so full of life
 Not just an empty shell
 You're out there, all alone, I wonder why

(B E Gb11 E 2x)
 The pieces keep on falling out
 And I pick them up myself
 But I'd let you steal the buttons from my eyes

 If you open up your heart tonight

 Only you can make me real again
