I told him he should quit that
D
Sketchy scene
C7M
He said nothing compares
D
To the fever dream
C7M D
It's what i do
C7M D
I wait for you

[Segunda Parte]

C7M D
I know a girl who stays still on sunday night
C7M D
Because her boy hits hard in the morning light
C7M
He told her everything ends
D
When you reach that thrill
C7M
He told her nothing exists
D
Past the window sill
C7M D
It's nothing new
Aadd9 C7M
I wait for you

[Terceira Parte]

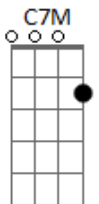

C7M D
I wanna tell my baby to pretend
C7M D
That every word i say is what i really meant
C7M D
And when i get my head back on all right
C7M D
Then we can be together for another night
C7M D
And we can have those dreams like no one else
C7M D
It's just one more reason to control myself
C7M D
Its just one more reason to control yourself
C7M D
It's just one more reason to control myself
C7M D
It's what i do
C7M D
I wait for you
