

# Alex Lira - Profetize

tom: A

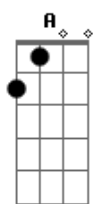

Se o meu sonho se perdeu, se a esperança já sumiu  
 E a dor fez minha fé enfraquecer  
 Tudo aquilo que ficou pra trás, tudo o que eu disse nunca mais  
 E que meus olhos não conseguem enxergar

Mas eu tenho um Deus que pode fazer acontecer  
 Transformar um osso seco em fonte de vida e poder

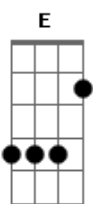

Não há nada esquecido que não possa ressuscitar  
 Profetiza então que a tua benção chegará

Profetize na tua vida, profetize pela fé  
 O que antes era osso seco Deus vai colocar de pé  
 Profetize graça e vida, que o milagre Deus fará  
 Deus ensina e consola, ele vai edificar  
 Sopra espírito de vida, vem curar e restaurar  
 Profetize que o milagre tu verá
