

Alexi Murdoch - Song For You

Tom: E
Intro:

Verso:

Refrão:

Verso 1:

E A7M E
So today I wrote a song for you, cause a day can get so long
A7M
And I know it's hard to make it through
E A7M
When you say there's something wrong

Verso 2:

E A7M
So I'm trying to put it right, cause I want to love you
with my heart
A7M
All this trying has made me tight
E A7M
And I don't know even where to start
E A7M
Maybe that's a start

Verso 3:

E A7M
Before you know it's a simple game
E
That you play filling up your head with rain
A7M
And you know you've been hiding from your pain
E A7M
In the way, in the way you say your name

Refrão:

Dbm E A7M
And I see you, hiding your face in your hands
Dbm E A7M
Flying so you won't land
Dbm E Eb5# A7M
You think no one understands

No one understands

(E A7M E A7M)

Verso 4:

E A7M
So you hunch your shoulders and you shake your head
E
And your throat is aching but you swear
A7M
No one hurts you, nothing could be sad
E A7M
Anyway you're not here enough to care

Verso 5:

E A7M
And you're so tired you don't sleep at night
E
As your heart is trying to mend
A7M
You keep it quiet but you think you might
E A7M
Disappear before the end

Verso 6:

E A7M E
And it's strange that you cannot find any strength to even
try
A7M
To find a voice to speak your mind
E A7M
When you do, all you wanna do is cry
E A7M
Well maybe you should cry

Refrão:

Dbm E A7M
And I see you, hiding your face in your hands
Dbm E A7M
Talking 'bout far-away lands
Dbm E Eb5# A7M
You think no one understands

B Aomit3 B Aomit3
And all of this life, moves around you
B Aomit3 B Aomit3
For all that you climb, you're standing still
E2 Aomit3
You are moving too
E2 Aomit3
You are moving too
E2 Aomit3
You are moving too
E
I will move with you.
