

Alex Turner - Colour Of The Trap

Tom: G
 If you just get it together and read my mind
 Then sleeping would be easy
 And then Ill be there to acquiesce
 I confess Im in trouble
 Another afternoon of increments
 And asking the wrong questions
 Then you get up and leave again
 Just as the evening threatens to set
 Consider this now its not too late
 I have watched you change
 The colour of the trap before girl
 I have learned to wait

Verse 2
 Most of the things that you say
 I dont understand but I will sit and listen
 I nod along attentively

But the truth is I cant concentrate
 Consider this now its not too late
 I have watched you change
 The colour of the trap before girl
 I have learned to wait
 Make no mistake
 Well I have learned to wait
 And you have learned that you can make me
 I need something to sort me out
 I need someone to come and shake me
 And your exit calms me down
 Before it infuriates me
 Girl Im in trouble
 Wish youd just get it together and read my mind
