

# Alex Turner - Colour Of The Trap

Tom: G  
 If you just get it together and read my mind  
 Then sleeping would be easy  
 And then Ill be there to acquiesce  
 I confess Im in trouble  
 Another afternoon of increments  
 And asking the wrong questions  
 Then you get up and leave again  
 Just as the evening threatens to set  
 Consider this now its not too late  
 I have watched you change  
 The colour of the trap before girl  
 I have learned to wait

Verse 2  
 Most of the things that you say  
 I dont understand but I will sit and listen  
 I nod along attentively

But the truth is I cant concentrate  
 Consider this now its not too late  
 I have watched you change  
 The colour of the trap before girl  
 I have learned to wait  
 Make no mistake  
 Well I have learned to wait  
 And you have learned that you can make me  
 I need something to sort me out  
 I need someone to come and shake me  
 And your exit calms me down  
 Before it infuriates me  
 Girl Im in trouble  
 Wish youd just get it together and read my mind
