

# Alex Turner - Hiding Tonight

Tom: C

Tomorrow I'll be quicker, i'll stare into the strobe light  
flickering afloat i'll stay

I'm quite alright hiding today

Tomorrow i'll be faster, i'll catch what i've been chasing  
after and have time to

play, I'm quite alright hiding today

And i would play the coconut shy,

and win a prize even if it's rigged, i won't know when to stop

and you can leave off my lid and i won't even lose my fizz

i'll would be the polkadots tie, i'll know the way back

if you know the way, but if you are i am quite alright

hiding today

Solo: C Dm Fm C

Tomorrow i'll be stronger, running colourful no longer just in  
black & white,

I'm quite alright hiding, tonight

And i would have a game on the coconut shy,

and win a prize even if it's rigged, i won't know when to stop

and you can leave off my lid and i won't even lose my fizz

i'll would be the polkadots tie, i'll probably swim through a  
few lagoons

i'll have a spring in my step, and i'll get there soon to sing  
you a happy to tune

tomorrow, you better bring a change of clothes so we can sail  
our laughing pianos

along a beam of light, but i'm quite alright hiding tonight
