

Alex Turner - It's Hard To Get Around The Wind

Tom: C
Intro: C

C
Its like you're trying to get to heaven in a hurry
C
And the queue was shorter than you thought it would be
C Dm G C
And doorman says you need to get a wristband
C
You gotta lift between the pitfalls
C
But you're looking like you're low on energy,
C Dm G C
Did you get out and walk to insure you'd miss the quicksand

F C
Looking for a new place to begin
Dm G
Feeling like its hard to understand
C C7
But as long as you still, keep peppering the pill
F D7
You'll find a way, to spit it out again
C G Am
And even when you know, the way it's gonna blow
F G
It's hard, to get around the wind

Interludio: C Dm G C

C
Stretching out the neck on your evening
C
Trying to even out some defects
C Dm G C
But its sabre-toothed multi-ball confusion
C
And you can shriek until you're hollow
C
Or whisper it the other way
C Dm G C
Trying to save the youth, without putting your shoes on

F C
Looking for a new place to begin
Dm G
Feeling like its hard to understand
C C7
But as long as you still, keep peppering the pill
F D7
You'll find a way, to spit it out again
C G Am
And even when you know, the way it's gonna blow
F G
It's hard, to get around the wind

Interludio 3: C7 F D7 C G Am F G

C
I can hear you through my window
C
But i'm never quite sure who is who
Dm G C
But they want the world on a desert spoon
C
It always sounds like they're fighting
C
Or as if that's what they're about to do
Dm G C
It might not hurt now, but it's gonna hurt soon
