

Alex Turner - Stuck On The Puzzle

Tom: A
 I'm not the kind of fool
 who's gonna sit and sing to you,
 about stars, girl.

But last night I looked up into
 the dark half of the blue,
 and they'd gone backwards.

Something in your magnetism
 must have pissed them off,
 forcing them to get an early night.

I have been searching from
 the bottom to the top,
 for such a sight
 as the one i caught when I saw your...

Fingers dimmed in the lights
 like your used to being told that you're trouble
 and I spent all night
 stuck on the puzzle

Nobody I asked
 knew how he came to be the one
 to whom you surrendered

Any man who wasn't led away
 into the other room
 stood pretending

But something in your magnetism
 hadn't just made him drop
 whoever's hand it was that he was holding.

I have been searching from
 the bottom to the top,
 for such a sight
 as the one i caught when I saw your...

Fingers dimmed in the lights
 like your used to being told that you're trouble
 and I spent all night
 stuck on the puzzle

I tried to swim to the side,
 but my feet got caught in the middle,
 and I thought I'd seen the light,
 but oh, no.

I was just stuck on the puzzle.
 Stuck on the puzzle.
