

Alex Warren - Before You Leave Me

tom: [Primeira Parte]

Darling, handle me with care
 Cover me in bubble wrap
 I'm scared you really mean it
 That you're never comin' back
 See your bag right by the stairs
 I guess you already packed
 Know I can't change your mind
 But how could you just leave like
 That?

[Pré-Refrão]

Oh-uh, oh-uh, oh-oh
 I'm not ready to let you go, so

[Refrão]

Just give me one more night
 Hold me like you're still mine
 Oh, love me for right now
 Before you leave me
 I know it's gonna hurt
 Watching your footsteps turn
 So, love me for right now
 Before you l?ave me

[Post-Refrão]

Oh, oh
 Oh, love m? for right now
 Before you leave me
 Oh, oh
 Oh, love me for right now

[Segunda Parte]

I'm so used to getting damaged
 And you know I hate this part
 So, I gotta take advantage
 Of a fully-broken heart
 Won't you stay a little longer
 Even if it's all pretend?
 And maybe by the mornin'
 I'll be ready for the end

[Pré-Refrão]

Oh-uh, oh-uh, oh-oh
 I'm not ready to let you go, so

[Refrão]

Just give me one more night
 Hold me like you're still mine
 Oh, love me for right now
 Before you leave me
 I know it's gonna hurt
 Watching your footsteps turn
 So, love me for right now
 Before you leave me

[Pos-Refrão]

Oh, oh
 Oh, love me for right now
 Before you leave me
 Oh, oh
 Oh, love me for right now

[Ponte]

Woah-oh, got one foot out the door
 Woah-oh, 'cause you don't need me
 Anymore (Oh-oh-oh)
 Woah-oh, got one foot out the door
 Woah-oh, 'cause you don't need me
 Anymore
 You don't need me anymore
 You don't need me anymore

[Refrão]

Just give me one more night
 Hold me like you're still mine
 Oh, love me for right now
 Before you leave me
 I know it's gonna hurt
 Watching your footsteps turn
 So, love me for right now
 Before you leave me

[Post-Refrão]
