

Alexander Ludwig - Malibu Blue

tom:

Intro: Ab Db Ab Db

She's as high as Highway 1, turns like Mulholland Drive
 She's the waves turning glass in the sand
 She's that cool breeze blowing in, asking where you've been

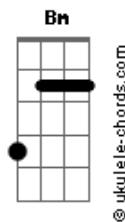

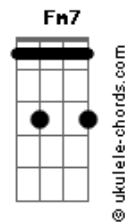

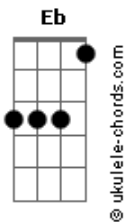

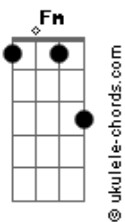

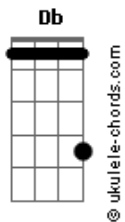

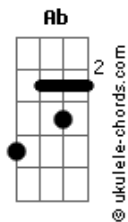

[Refrão]

She's the rain that won't fall
 She's the writing on the wall
 She's the sun breaking through
 She's a dream coming true
 In a summer shade of Malibu blue

[Segunda Parte]

She's the brightest star on the boulevard
 She's the second the sun starts sinking in the sea
 She's roller skates and Rayban shades
 The queen of the Palisades

Acordes
