

Alexander Rybak - Give Me Rain

tom:
 Capotraste na 4ª casa

Give me rain and I will dance
 Let me fall and I will rise
 There's no way I will give up
 I'm gonna keep on dancin?
 Just keep on dancin?, yeah
 (C Am)

Give me, give me rain and I will dance, dance, dance, dance
 (C Am)

Give me, give me rain and I will dance, dance, dance, dance

Despite the troubles on my way
 I'm crawlin' through the dark night
 Waiting for my sunshine
 All the demons I have faced
 They've only made me stronger
 Day by day

Confusion (check)
 Depression (check)
 The never-ending questions (check)
 I believe, I believe, I believe they'll fade away
 (Away, away, away)
 The nightmares (check)
 Aggression (check)
 The dark hallucinations (check)
 I believe, I believe, I believe they'll fade away

Give me rain and I will dance
 Let me fall and I will rise
 There's no way I will give up

I'm gonna keep on dancin?
 Just keep on dancin?, yeah
 (C Am)

Give me, give me rain and I will dance, dance, dance, dance
 (C Am)

Give me, give me rain and I will dance, dance, dance, dance

Fly away
 And if it's hopeless and your mind is gray
 Just close your eyes and let the music flow
 Tonight we learn how to let it go
 Yeah, just let it go

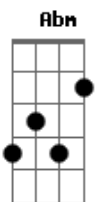

Confusion (check)
 Depression (check)
 The never-ending questions (check)
 I believe, I believe, I believe they'll fade away
 (Away, away, away)
 The nightmares (check)
 Aggression (check)
 The dark hallucinations (check)
 I believe, I believe, I believe they'll fade away

Give me rain and I will dance
 Let me fall and I will rise
 There's no way I will give up
 I'm gonna keep on dancin?
 Just keep on dancin?, yeah
 (C Am)

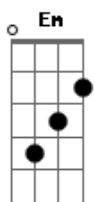

Give me, give me rain and I will dance, dance, dance, dance
 (C Am)

Give me, give me rain and I will dance, dance, dance, dance
