

# Alexandre Heilbuth - Canção da Primavera

tom:

F (forma dos acordes no tom de C )

Capostrate na 5ª casa

É primavera nos caminhos do amor  
 Há certeza de luz e sol nos clarões da manhã  
 Nascer, renascer, progredir, aprender  
 Resistir à escuridão como a luz do luar  
 Ventos, velas içadas ? navegar é preciso? sim  
 As estrelas hão de guiar o olhar que se abrir

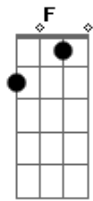

Cantem todos este canto  
 Vem amigo, vem irmão  
 Dobram sinos, tocam anjos

À Maria, luz do dia

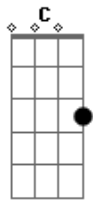

Há um só tempo do chorar ao sorrir  
 Ninguém perde por esperar ? o lugar é aqui  
 ?Servir, merecer para bem mais servir?  
 Se é grande a vontade, tudo alcançará  
 Glória à Mãe Eterna ? Glória a todos os filhos, sim  
 As promessas do coração, juntos vamos cumprir

Cantem todos este canto  
 Vem amigo, vem irmão  
 Dobram sinos, tocam anjos  
 À Maria, luz do dia
