

# Alexandre Pires - Apelo

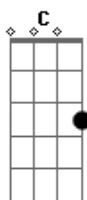

Tom: C

**C7** **F7** **G** **C7**  
 Difícil ficar sem você, às vezes só faço chorar  
**F7** **G** **Em** **Am**  
 Ouvir seu lamento daqui, saudades eu sinto daí  
**F** **G** **Em** **Am**  
 Pra que terminarmos assim, essa mágoa é ruim  
**F** **G** **C7**  
 Talvez nossa escolha esteja errada

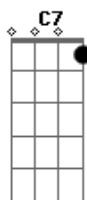

**F7**  
 Reflita melhor pra nós dois  
**G** **C7**  
 Dois anos e meio depois  
**Am7** **F** **G**  
 Daquela saída que deu em nada  
**F** **G**  
 Eu sei que ainda gosta de mim  
**Em** **Am7**  
 Teus olhos me contam que sim

**Bb7** **G7**  
 Eternamente apaixonada  
**C7** **C7** **F**  
 É pura tolice, certo dia você disse que eu sou  
**G** **C7**  
 o dono do seu coração  
**Am** **F**  
 Pra que viver o passado, tão errado vamos acender  
**G** **C7**  
 a chama da nossa paixão  
**C7** **C7** **F**  
 É pura tolice, certo dia você disse que eu sou  
**G** **C7**  
 o dono do seu coração  
**Am** **F**  
 Pra que viver o passado, tão errado vamos acender  
**G** **Bb7** **F7**  
 a chama da nossa paixão
