

Alexandre Pires - Domingo

tom:

F

C C7M

Domingo quero te encontrar

E desabafar, todo o meu sofrer

Estar ao teu lado, esquecer de tudo

Tudo que o amor até hoje nos fez sofrer

Esquecer a briga que deixou ferida

E que até hoje não cicatrizou

Te amar de novo fazer parte da vida

Abre o coração! Tudo tem sentido e tem razão

[Refrão]

Cola teu rosto no meu

Chega mais perto de mim

Faça de conta que eu sou teu namorado

Amar você é bom demais

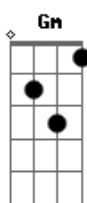

É tudo que eu posso querer

Se tudo você tem melhor

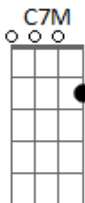

Pior é te perder, amor

Amor, amor, domingo
