We'll be dancing in the fire of the living ? heya ho

And a million sisters voices will be singing ? heya ho

And we'll giving all we have to be receiving ? heya ho

Every word we share will count and be forgiving ? heya ho

Hold on, hold on

Never give up on love

Never give up on us

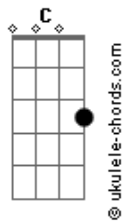

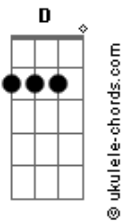

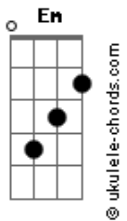

Never give up on love, on us, on trust

Dance the hurt away

Dance it all away (2x)

I want to feel the kiss and fall into the mystery ? heya ho
